

## *Soothe*

The calming and healing effects of this blend reduce inflammation, irritation, sun damage and even acne. It helps to prevent and repair uv and environmental damage. This may also be used as an everyday moisturizer or to add to your already existing home beauty regime. Lavender, Roman Chamomile, Everlast in a base of organic sesame oil, Calendula, and Rosehip seed oil.

## *Rehydrate*

This unique blend provides and helps to hold moisture to the entire face, but made especially for the delicate eye area. It treats and prevents lining from repeated facial movement as well as environmental and uv aging. Essential oils of Hibiscous, Everlast and Sage as well as Calendula extract in an organic base of Sesame, Calendula, and Rosehip seed oil will give you noticeable tone and life back to depleted skin.
